

Split Whiskers

Split Whiskers are back & they mean business. If you enjoy rough & tumble blues based slide playing finger snapping foot tapping buttock crunching raw rock 'n' roll, then this is your chance to hear them play in their unique style.

This six piece Cambridge based band of young 'n' old misfits will bring a new slant on the blues with a sense of fun & Mickey Taking

The Band features the following musicians & a drummer:

The voice, percussion & stunning good looks of Jon (Chicago) Stanford

The vocals & harmonica & wit of Gilby J. Fletcher

The guitars & cow bell & broken strings of Johnny (Magic Boy) Wright

The keyboards & accordion & tambourine of Mr. James Doherty

The bass vocals & visual interpretation of Mr. Bad Brad Marriner

The drums & vocals & dependence of life support machinery of Mr. Mick Chippy Carpenter
