

Art Gekko Duo

The Art Gekko Duo is a professional flute and electric guitar duo based in North Essex. They have over 20 years of performance experience in everything from small private parties and restaurants to weddings and corporate events. The material includes Latin jazz such as Bossa Nova, both American and contemporary standards and some light classical with a smooth jazz edge.

The music is often used as reception music or as a background to dining. Our flexible approach helps to create an informal and relaxed atmosphere, making it the prime choice for your special event.

The Art Gekko Duo is half of Art Gekko, a four piece band. The band's frontline of electric guitar and keyboard is supported by electric bass and drums. The material includes jazz and American standards, but presented with a fresh smooth jazz style with contemporary rhythms. The duo's Latin jazz flute numbers are also performed in fuller band arrangements.
