Ross Stanley

Ross, we are proud to announce, has just finished recording keys with Simply Red's Mick Hucknall. Listening to him play is like drinking a glass of the best champagne, filled with excitement and an undeniable feeling of 'something special'.

Chris Hill

Chris on stand-up bass is one of the hippest Jazz dudes in town and has the most beautiful artful feel to everything he plays. It is sheer pleasure to let yourself be seduced by his onstage charm.

Vic Haynes

As for the utmost professionalism in the area of sound, look no further than our very own live sound engineer: Vic Haynes. No band would be worth it's salt without the sensitive treatment of each instrument, adding depth and quality to amplified sound.
