

Kyle Summers - International Close Up Magician

Kyle Summers' sensational career as an international close up table magician has seen him perform at corporate and private functions and led to a vast number of invitations from some of the most distinguished members of high society such as Lord Bamford and has entertained a host of celebrities including international movie director Michael Winner.

His dynamic approach to his art, combined with some of the most advanced magic tricks to date ensures the success of any party event.

"We would like to express our appreciation for the wonderful company of Kyle who is absolutely entertaining and charming! We would totally recommend him to any other company who need assistance in making their evening successful!"
