

Metropolis - Live Function Band

METROPOLIS is a top, professional party band. Formed in 2000 and based in London, the band has entertained audiences both home and abroad. Fabulous vocals, plus one of the funkiest rhythm sections around all add up to a fantastic, unforgettable occasion ...

All the music is played live (real musicians - no backing tracks) and the band's energy and enthusiasm are infectious - dynamic male and female vocalists, who always react to the vibe of crowd, ensure that the sets always look and sound spot-on. The show is equally at home at large corporate events, outdoor music festivals and private functions alike.

METROPOLIS performs one of the slickest, non-stop, multi-era tributes to be heard in any party band. These include a seventies tribute (Earth Wind and Fire, Kool and the Gang, Jackson Five, etc.) and eighties tribute (Huey Lewis and the News, Weathergirls, Bangles), Motown/Soul (Four Tops, Diana Ross, Aretha Franklin), Abba (all the favourites) and Latin fever (Ricky Martin) - just to name a few.

In addition to the non-stop dancing, Metropolis can also provide a lower-key tribute to swing vocalists past and present - Frank Sinatra, Harry Connick Jnr, Tony Bennett, and more currently, Michael Bublé and Jamie Cullum.
