

NOVELTY RIDES

Have your guests already ridden the bucking bronco or tried their luck on a surf machine, here are a few alternative suggestions:-

Jet Ski Simulator

Take to the waves with our super smart jet ski ride. The GRP jet ski spins and rocks at the control of the operator enabling more nervous riders to enjoy a slower ride. The jet ski is the perfect addition or alternative to the surf simulator and is perfect for themed events, parties, promotions and events. Not Suitable for very young children.

Operational space required 20'x20'

Rodeo Reindeer

A seasonal version of the traditional rodeo bull ride. Always hugely popular during the festive season. Great for parties, themed events promotions and events. This rocking rodeo reindeer spins and rocks at the control of the operator enabling more nervous riders to enjoy a slower ride. The reindeer is surrounded by an inflatable safety bed.

Not Suitable for very young children.

Operational space required 20'x20'

Human Roulette

Competitors lay or sit on the central disc which spins and tilts until the rider spins off onto a number on our giant inflatable roulette wheel which has numbers 1-8 on it enabling the winning of prizes or scoring points. The ride is controlled by the operator enabling more nervous riders to enjoy a slower ride. Not Suitable for very young children

Operational space required 20'x20'

Bobbin Bottle

Perfect for drinks promotions our giant 'bucking' bottle can be themed to suit your own brand or event (at additional cost) making it perfect for parties, balls, promotions, exhibitions and events. The bottle will spin and buck at the touch of a button with the speed controlled by the operator enabling more nervous riders to enjoy a slower ride.

Not Suitable for very young children.

Operational space required 20'x20'

The Edge Entertainment Consultants – Quality Entertainment Booking Service

Rodeo Mobile Phone

With just a couple of these rides in the UK our mobile phone ride is always popular. A novel alternative to a traditional bull ride. Can be branded (at additional cost) for promotions, exhibitions, parties or events. The speed is controlled by the operator enabling more nervous riders to enjoy a slower ride.
HANG ON OR HANG UP! Not Suitable for very young children.
Operational space required 20'x20'

Flying Carpet Ride

You don't need to be Aladdin to ride this flying carpet as it rocks and spins surrounded by an inflatable safety bed. Perfect for theme nights, parties, balls and events. The rides speed is controlled by the operator enabling more nervous riders to enjoy a slower ride. Not Suitable for very young children.
Operational space required 20'x20'

Rock N Roll Record Ride

Competitors lay or sit on the giant spinning record and 'rock around the clock' spinning and tilting until the rider spins off onto the inflatable safety bed surround. The ride is completely controlled by the operator enabling more nervous riders to enjoy a slower ride. and is perfect for theme nights, parties, promotions and events. Not Suitable for very young children.
Operational space required 20'x20'

Wave Ski Simulator

Another rare ride with just a couple available in the UK, take to the waves on the GRP wave ski as it spins and rocks at the control of the operator enabling more nervous riders to enjoy a slower ride. The wave ski is the perfect addition or alternative to the surf simulator or jet ski and is perfect for themed events, parties, promotions and events. Not Suitable for very young children.
