

## ***Pastiche - Live Function & Party Band***

Pastiche was formed just over two years ago and is gaining an excellent reputation. All of the band members are professional musicians who have plenty of experience playing live.

Pastiche plays a wide variety of cover versions from jazz and easy listening to upbeat party and pop classics and they can also accommodate theme evenings such as 60's 70's or 80's nights.

Pastiche are a reliable, friendly and lively band - something that people often comment on! and work extensively throughout London and throughout the UK.
