

Platinum Gold - Six Piece Function / Party Band

Platinum Gold is a fantastic and entertaining 5-7 piece covers band who are proud to count TV's celebrity strong British Soap Awards two years running, amongst their list of extremely high profile performances, making them a band at the top end of the party market.

Platinum Gold is the band with every requirement for the perfect party. Be it a large-scale corporate event or an intimate event. This 5-7 piece band is fully professional and used to travelling throughout the UK and abroad, performing to varied audiences including celebrities, entertainers, royalty and large audiences of up to 8000 people. Platinum Gold is particularly suited to corporate events and high class weddings.

As well as being talented musicians who all play live, this band pride themselves as being an entertaining and fun band, bringing an amazing atmosphere to your event.

Platinum Gold certainly stands out from other bands, being able to totally entertain any audience of any age.

The band is able to perform for up to three hours of superb live entertainment spanning all styles. Each show demonstrates combined dance routines, costume changes, and a huge repertoire of music from all the major classic artists from the 50's to present day.

The band is able to perform for up to three hours of superb live entertainment spanning all styles. Each show demonstrates combined dance routines, costume changes, and a huge repertoire of music from all the major classic artists from the 50's to present day.

Their comprehensive and vast musical repertoire includes 50's rock and roll, 60's soul, 70's disco, 80's and 90's pop, and chart hits from the 21st Century. The extremely versatile line-up of all singing, multi-talented musicians can also be complemented by additional players depending on budget.

Platinum Gold's line up includes a very popular brass section to add that extra edge to the level of entertainment. The band is made up of female vocals, male vocals/guitar, sax/backing vocals, trumpet/keyboards and drums. A bass guitarist and trombonist can be added.

Platinum gold can perform in many different dress codes to suit all occasions:

Contemporary, Smart casual, Smart (suits), Black Tie, costumed, e.g. disco, sixties, or retro.

Platinum Gold is fully self-contained and provides a 4K Watt PA system and stage lighting. A luxurious black backdrop is available on request to make the event look even more sophisticated.
