ROBERT COX - Cabaret & Close Up Magician.

It was in February 1987, after a highly successful three-week run on the Edinburgh Festival Fringe, that Rob became a full-time comedy entertainer. He is a member of The Magic Circle and of the actors' union, Equity, and has performed in Europe, the US and the Middle East as well as all over this country. His skills are in great demand by private, corporate and business concerns alike.

Cabaret

In Rob's stand-up act, the accent is very much on comedy and audience participation. Laughs come thick and fast - and just when you least expect it, he hits you between the eyes with yet another magical impossibility!

Close-up

Rob is in the forefront of the move to make 'Close-up' magic more accessible. At dinners, he performs at each table; for receptions or less formal parties he goes on a magical walkabout. This is intimate entertainment of the highest order.

Business Magic

For some time, astute business people have been using entertainers to sell their products and services. At exhibitions or product launches, Rob can help you promote your business in an unforgettable way.
