‘Thanks for a great night of dancing last Friday at Norwich City Football Club. Craig and I had a really fantastic evening. The testimonial committee had done a fantastic job of organising the evening and it was all topped off with a good time on the dance floor. Everyone commented on how good you were and we will definitely recommend ‘Scratch the Cat’ to anyone who is in need of a professional band who can keep a dance floor packed all night! Thank you also for being so flexible and fitting in with the rest of the evenings entertainment. It was one less thing to worry about.’

Craig and Nicola Fleming

You are all fabulous at your professions & our friends & family are still talking about you – in fact we have friends getting married next October that will definitely be in touch! Thank you again for an unforgettable evening’
Paul and Louise,

‘A very big thank you to all of you for helping to make Jonathan & Hayley’s wedding day last Saturday such a successful one. Never before have we seen so many people on the dance floor for a first number – if only you could have played for longer! Consequently we are sure that you will be having more enquiries from our friends for future functions – please give each other a big pat on the back!’

Chantell & Andy Holmes,

'The best band of Sunday had to be Scratch the Cat. This band were the perfect remedy for a case of the blues on a cold, wet Sunday afternoon. With a new line-up perfectly nestled in, they were on top form and gave a musically faultless, extremely entertaining show'

Lowestoft Journal,

'Thank you so much for the professional performance that you gave at Caldecott Hall for our daughter's reception. Everyone was very impressed and kept asking where you were from - we will certainly recommend you to others as I am sure will others who were there'
